

## Y fitting

Y fitting.

### Features

#### Materials

- High density polyethylene PE100.

#### Technical data

**PN 16 bar**
**SDR 11**

### Applications

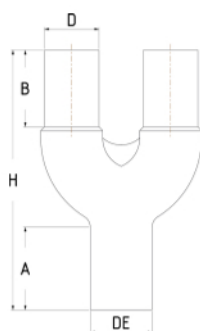

### Standards

---

### Certifications

---

### Dimensional

Cod	DE (mm)	D (mm)	H (mm)	A (mm)	B (mm)	Weight (kg)
3180032025	32	25	155	44	41	0.07
3180040032	40	32	165	50	44	0.11
3180050040	50	40	175	55	50	0.18

- Polyethylene dimensions according to UNI EN 12201-3, standard thickness SDR11.
